

CA 6-Hour X-ray Recertification Classes

The NCCA offers 6-Hour X-ray Recertification classes for CAs who have completed the 50-Hour Basic X-ray Certification Program. Once you are certified, you must attend one 6-hour recertification class every calendar year after your certification year. The classes will review physics, positioning, and methods of improving radiographic quality.

CA 50-Hour Basic X-ray Programs

The North Carolina Chiropractic Association sponsors 50-hour basic X-ray training programs for chiropractic assistants. The classes meet the minimum requirement for basic X-ray proficiency as directed by the North Carolina State Board of Chiropractic Examiners (NCBOE), effective July 1, 1990. Exams will be given under the auspices of the NCBOE. Each module provides the attendee with the required knowledge and training to assist the doctor of chiropractic in taking and processing X-rays of the appendicular and axial skeleton. The next two modules are listed below.
